

**EXPRESSION OF INTEREST (EOI) FOR RECRUITMENT OF A MEMBER OF KENGEN'S
GEOTHERMAL BOARD OF CONSULTANTS**

TENDER REF NO: KGN-GDD-087-2017

1. BACKGROUND

Kenya Electricity Generating Company Limited (KenGen) is a limited liability company, 70% owned by the Government of the Republic of Kenya. It is the leading electric power generation company in Kenya, producing about 80% of the electricity used in the country. It has a total installed capacity of 1,575MW with power plants located in different parts of Kenya. KenGen utilizes various primary sources of energy to generate electricity ranging from hydro, geothermal, thermal and wind. KenGen has entered into power plant specific Power Purchase Agreement with Kenya Power and Lighting Company Limited (KPLC) for the sale of electricity generated from its various power plants.

Under Vision 2030, the Kenya Government expects to increase the installed power capacity from 2,298 MW to 17,764 MW by the year 2030 so as to meet the power demand, now estimated at 8% per year. Generation from geothermal resources is expected to take a leading role in this initiative. Pursuant to this, the Kenya Electricity Generating Company Limited (KenGen), together with the Government, plans to increase geothermal power capacity to 1260 MW by the year 2018.

2. OBJECTIVES

To achieve this geothermal target, the company wishes to engage one geothermal expert in environmental management to the Geothermal Board of Consultants.

3. SCOPE OF SERVICES

The expert will advise the company on environmental management aspects of geothermal development activities and power plant operations for a period of four (4) years subject to annual renewals.

4. ELIGIBILITY CRITERIA

The person shall have an academic degree /expertise from a recognized University, professional experience in a broad variety of geographic settings and countries, including developing countries. She/he shall have no direct or indirect interest in contracts being tendered by KenGen, or in organizations performing work or proposing to perform work for KenGen.

Interested individuals shall provide specific information as indicated below:

- a. General qualifications, certification and Evidence of individual's experience in geothermal related fields (at least 20 years)
- b. Work plan and methodology including contingency plan
- c. Consultancy Experience in the region
- d. Evidence of registration as environmental impact assessment and audit expert.
- e. Evidence of transfer of knowledge capability
- f. Evidence of three major clients references
- g. Disclosure of any current litigation, if any
