2.27 Award of Contract

2.27.3 A positive determination will be a prerequisite for award of the contract to the tenderer. (b) **Award Criteria**

2.27.4 The Procuring entity will award the contract to the successful tenderer(s) whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the tenderer is determined to be qualified to perform the contract satisfactorily.
