EXPRESSION OF INTEREST: FIRM SELECTION

CONSULTANCY SERVICES FOR OLKARIA IV RAP COMMUNITY CAPACITY BUILDING FOR LIVELIHOOD RESTORATION AND ENHANCEMENT LOCATED IN HELL'S GATE LOCATION, NAIVASHA SUB-COUNTY:

KGN-REG-05-2017

CREDIT NO. : 5844-KE

1. Background

The Kenya Electricity Generating Company Limited *has received* financing from the World Bank toward the cost of the Olkaria IV Geothermal Power Plants and intends to apply part of the proceeds for consulting services.

The Kenya Electricity Expansion Project (KEEP) funded by the World Bank Group and other development partners involved the construction of additional 280 MW geothermal generation capacity. This comprised: (i) construction of Olkaria IV (140 MW) power plant; and (ii) construction of another 140 MW power plant at the existing Olkaria I site. The construction of Olkaria IV power plant required resettlement of 150 households of local Maasai community from four villages located on or near the Project sites to a 1700 acre resettlement site (referred to as 'RAP land') in August, 2014. The resettlement of Olkaria IV Project affected persons (PAPs) was successfully completed in August/September 2014. In order to further enhance the livelihood of the resettled families KenGen is proposing hire a consultant to build their capacity to harness existing opportunities in the area and beyond.

2. Objectives

The objective of the proposed consultancy services is to assess the existing and potential business and employment opportunities, and identification of skills gaps and alternative livelihood sources. Based on the study findings the consultant will carry out training needs assessments, develop and deliver capacity building/training programs for identified social groups (women, youths, men, elders, widows and single mothers, men, orphans and persons living with disabilities, so as to empower the RAP community to benefit and enhance their livelihoods.

3. Scope of Work

The scope of work for the consultant will include but not limited to the following;

- i) Carry out Feasibility study to identify potential business and employment opportunities in RAP land and the greater Olkaria area and beyond
- ii) Identify skills, knowledge and information gaps that may have hindered the capacity of the RAP land community to harness existing opportunities
- iii) Explore and identify funding opportunities under the various government affirmative action funds and micro-finance institutions
- iv) Explore possible partnerships that the community can engage with for advertising and effective marketing of their goods/wares and any services
- v) Prepare and execute programs for creation of awareness, training, and support programs that will bridge the skills, knowledge and information gaps identified.

4. Eligibility

In order to be considered the interested firms should meet the following minimum requirements;

- i) Demonstrate the firms and staff experience in carrying out this assignment and submit at least three references for similar assignments from previous employer's, including a brief description of the study (scale and scope) and the status of the project
- ii) Demonstrate a strong financial status by positive cash flow, minimum average turnover of USD 100,000, net worth and profitability.
- iii) Where the applicant is a consortium, a list of the proposed members of the consortium and the proposed leader of the consortium and the roles of each member
- iv) The bidder must demonstrate that he has qualified staff and capacity for this assignment.

Documents to be submitted

- i. Attach certificate of incorporation /Registration in the country of domicile
- ii. Joint venture agreement for consortium
- iii. Company profile
- iv. Valid tax compliance certificate or equivalent depending on the country of domicile.
- v. Audited accounts for the last two years (2015,2016)
- vi. Attach a documentation on litigation history of the firm.

The attention of interested Consultants is drawn to paragraph 1.9 of the World Bank's Guidelines: Section and Employment of consultants IDA Credits by World Bank Borrowers Jan 2011 (Revised July 2014) ("Consultant Guidelines"), setting forth the World Bank's policy on conflict of interest.

A Consultant will be selected in accordance with the Cost and Quality Selection (CQS) method set out in the Consultant Guidelines.
