NO	BIDDERS QUESTION	KENGEN’S RESPONSE
1	Kindly advice if the commission of oath is supposed to sign all the attachments.	In the tender, the documents deemed as statutory documents are: <ol style="list-style-type: none"> <li>1. Certificate of incorporation</li> <li>2. Compliance certificate from NSSF</li> <li>3. Certificate of Compliance from NHIF</li> <li>4. CAK Frequency license</li> </ol>
2	Mandatory requirements. Certified copy of NSSF. This has been an issue with the NSSF, they say that they don’t do that and the certificate itself is enough. How do handle this In the tender?	At the minimum the certificate of Compliance from NSSF to be Certified by a Commissioner of OATH.

**ACKNOWLEDGEMENT OF CLARIFICATION NO 2.**

We, the undersigned hereby certify that the Clarification is an integral part of the document and has been incorporated in the tender proposal.
