

KENYA ELECTRICITY GENERATING COMPANY

10th July 2017

**TENDER FOR SUPPLY OF 11KV SINGLE-CORE 630MM² ALUMINIUM XLPE
WIRE-ARMOURED PVC SHEATHED POWER CABLES FOR MUHORONI GT2
POWER PLANT: KGN-GT-09-2017**

KenGen wishes to issue the following additional information on the tender in question through
CLARIFICATION 1:

No	Issue of clarification	KenGen Response
1	Does the scope of work for the supplier include termination and commissioning of the cable on site as well	NO , Termination and commissioning is not part of work
2	Method of payment. Will this be done 30 days after the cable has been delivered and tested while on the drum or after it has been delivered, installed, tested and commissioned? Between the generator and transformer and deemed to be in proper working condition	This is simply a supply and delivery contract. payment will be made within 30 days after certification of invoices and deliveries

All other terms and conditions remain as per the tender document

ACKNOWLEDGEMENT OF CLARIFICATION .1

We, the undersigned hereby certify that the clarification is an integral part of the document and has been incorporated in the tender proposal.
