KENYA ELECTRICITY GENERATING COMPANY LIMITED

EXPRESSION OF INTEREST CONSULTANCY SERVICES FOR IMPLEMENTATION OF LEAN SIGMA: KGN-SBP-08-2017

KenGen wishes to issue the following clarifications as sought by potential bidders for the above tender

No	Issue of Clarification	KenGen Response
1	Is there a preferred certification(s) that you would wish the curriculum based upon?	<p>The Expression of interest provide the minimum scope to give the potential consultant an idea of what will be expected.</p> <p>At this stage we are interested with the consultant qualification as per paragraph 4 that details the eligibility requirements.</p> <p>The detailed terms of references on the issues raised will be defined in RFP document to qualifying candidates</p>
2	In addition to project description, dates and measurable outcomes, what additional information do you wish included with each project reference	
3	Do you have an expectation of maximum class size?	
4	Would you be interested in the option of live on site training blended with E-learning?	
5	Do you wish training in any specific statistical software packages which support Lean Six Sigma implementation (Minitab, SigmaXL and so forth), included in the proposal	
6	In paragraph <3. Evaluation Criteria and Eligibility > you request “The firm(s) must provide profiles of at least 3 key personnel”. In the same paragraph, three bullets later you request Curriculum Vitae for “key staff relevant to the assignment”. What information do you wish in the key personnel profiles? Can key personnel and key staff be the same people? Is it acceptable to just have CV for the three primary consultants if they are also the primary relevant staff?	<p>Provide a profile of your key personnel (at least 3) with minimum qualifications as defined by the EOI.</p> <p>We also expects the description of the firm’s Management/Organization structure of staff specific for this project with clear reporting lines</p> <p>More qualification requirements of the key consultant will be defined in the RfP document</p>

2. All other terms and conditions remain as per the EOI document
