KENYA ELECTRICITY GENERATING COMPANY

KGN-IT-01-2018 TENDER FOR SUPPLY, DELIVERY AND MAINTENANCE OF BRANDED LAPTOPS AND PROJECTORS FOR KENYA ELECTRICITY GENERATING COMPANY

30th April, 2018

CLARIFICATION No .1

In accordance with the KGN-IT-01-2018 TENDER FOR SUPPLY, DELIVERY AND MAINTENANCE OF BRANDED LAPTOPS AND PROJECTORS FOR KENYA ELECTRICITY GENERATING COMPANY, KenGen hereby issues Clarification No.1

RESPONSE TO REQUEST FOR CLARIFICATION

	CLARIFICATION	KenGen Response
1.	Branded Business Laptops 15.6” with numeric keypad supply quantity has been reduced in the new the scope from 273 to 120 but this is NOT indicated in the delivery schedule. Please do indicate how the Branded Business Laptops 15.6” with numeric keypad will be distributed to assist in the quotation for Repair and Maintenance (R & M) and also Repair and Maintenance (R & M) documentation.	find the table below
2.	Clause 10.2 seems to indicate that the delivery and insurance charges should be shown separately yet the price schedule on page 27 doesn't provide for this separation. Kindly clarify	clause 10.2 is a standard clause found in standard tender documents, we are interested in the supply and maintenance cost as clearly indicated in the tender document

Deliveries for the Laptops will be made to KenGen's Stations located across the country as indicated below. Successful bidder(s) will be required to confirm any changes on distribution prior to delivery. Preventive maintenance is done in the specific station where the laptop is in use.
