**TENDER TO SUPPLY & IMPLEMENT TWO FACTOR AUTHENTICATION SOLUTION**

**CLARIFICATION No .1**

In accordance with Tender to Supply & Implement two Factor Authentication Solution hereby issues Clarification No.1

**RESPONSE TO REQUEST FOR CLARIFICATION**

	<b>CLARIFICATION</b>	<b>KenGen RESPONSE</b>
1.	Do you need to buy hardware to be supplied with this solution or KENGEN provide the servers required to install the software?	If the solution can run in virtual environment then we can provide. However, if it needs to be a standalone or a device provide the hardware.
2.	What ID vault solution do they want to integrate with? Do they already have an ID vault solution, or is KENGEN looking for one?  (Item 26: The solution must be capable of integrating with an ID vault Solution.)	We don't have one yet
3.	On the Training in a certified center, besides the training costs, are bidders expected to factor in the cost of transport & accommodation?? Is PER DIEM supposed to be factored by the bidder??	No only the costs for tuition and training facilities.

**All other terms and conditions remain unchanged**

**ACKNOWLEDGEMENT OF CLARIFICATION NO. 1**

We, the undersigned hereby certify that the addendum is an integral part of the document and the alterations set out in the Addendum have been incorporated in the tender proposal.
