**KGN-KIP-05-2018 TENDER FOR EXHAUST GAS BOILER PANEL REHABILITATION FOR
KIPEVU 1 DIESEL PLANT**

2nd May, 2018

CLARIFICATION No .1

In accordance with the **KGN-KIP-05-2018 TENDER FOR EXHAUST GAS BOILER PANEL REHABILITATION FOR KIPEVU 1 DIESEL PLANT**, KenGen hereby issues Clarification No.1

RESPONSE TO REQUEST FOR CLARIFICATION

	CLARIFICATION	KenGen Response
1.	We have noticed on technical evaluation criteria, only the principle OEM is supposed to participate (see attached). Does this mean other entities cannot participate as a joint venture with OEM	B. Technical Evaluation criteria (number 1) has been revised to read <ul style="list-style-type: none"> • Shall be fully owned by the Principal (OEM) – Bidder must attach evidence of authorization (Manufacturer Authorization) by OEM if bid is a joint venture or a system integrator.

All other terms and conditions remain unchanged

ACKNOWLEDGEMENT OF CLARIFICATION NO. 1

We, the undersigned hereby certify that the addendum is an integral part of the document and the alterations set out in the Addendum have been incorporated in the tender proposal.

Signed.....
