TENDER FOR KGN-SALE-02-2017

TENDER FOR SALE OF SCRAP AND OBSOLETE EQUIPMENT AT GEOTHERMAL

Clarification 1

KenGen would want to make the following clarifications:

- 1) Lot No. 1 (A-III): Described as Garden Denver Pump. The estimated weight is indicated as 55,000Kgs it should read as **5,500Kgs** instead of 55,000Kgs.
- 2) Lot No. 2 (B-II): Described as Chippings from slotted liners. KenGen would like to clarify that the containers in holding the chippings are not included in the tender and therefore the winning bidder will collect the chippings and leave the containers.

ACKNOWLEDGEMENT OF CLARIFICATION NO.1

We, the undersigned hereby certify that the clarification is an integral part of the document and has been incorporated in the tender proposal.
