KENYA ELECTRICITY GENERATING COMPANY

TENDER FOR SUPPLY OF 11kV INDOOR VOLTAGE AND CURRENT TRANSFORMER FOR SONDU MIRIU POWER STATION

CLARIFICATION No .2

In accordance with the Tender for Supply of 11kV Indoor Voltage and Current Transformer for Sondu Miriu Power Station, KenGen hereby issues Clarification No.2

RESPONSE TO REQUEST FOR CLARIFICATION

	CLARIFICATION	KenGen RESPONSE
1.	We understand from the Price Schedule on page 43 that it is a supply only tender, but from the "Form of Tender" Page 44 it states that it is "supply deliver, install and commission". Kindly clarify the terms.	There is no installation component, only supply & delivery.
2.	Can you provide a submission checklist of all required documents also stating order of submission	The checklist for the items should be the way they are stated on the evaluation criteria, page 12 - 13.
3.	In the Confidential Business Questionnaire page 47 part 2 (i or j) seems to indicate that it's only youth, women and PWD that should fill it. Kindly clarify if it's for every bidder to fill.	Yes , the checklist should be filled by every YOUTH bidder, including all YOUTH OR NON-YOUTH JV partners where applicable
4.	Still in the Confidential Business Questionnaire page 47 part 2 (i or j), do we need our Bank to stamp and sign it or it's our company authorized representative who is supposed to stamp and sign?	Yes , the Bank's official should stamp and sign on that section for authenticity
5.	Kindly confirm that tender validity is 90days (Item 2.10.4) with an extension of 30days (item 2.14.4) totaling to 120days	Tender validity period is 90 days, not 120

All other terms and conditions remain unchanged

ACKNOWLEDGEMENT OF CLARIFICATION NO. 2

We, the undersigned hereby certify that the addendum is an integral part of the document and

the alterations set out in the Addendum have been incorporated in the tender proposal.
