Or

(ii) To furnish performance security in accordance with paragraph 31.

(c) If the tenderer rejects, correction of an error in the tender.

2.13 Validity of Tenders

2.13.1 Tenders shall remain valid for **Ninety (90) days** or as specified in the invitation to tender after date of tender opening prescribed by the Procuring entity, pursuant to paragraph 2.18. A tender valid for a shorter period shall be rejected by the Procuring entity as nonresponsive.

2.13.2 In exceptional circumstances, the Procuring entity may solicit the Tenderer's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing. The tender security provided under paragraph 2.12 shall also be suitably extended. A tenderer may refuse the request without forfeiting its tender security. A tenderer granting the request will not be required nor permitted to modify its tender.

2.14 Format and Signing of Tender

2.14.1 The tenderer shall prepare two copies of the tender, clearly / marking each "ORIGINAL TENDER" and "COPY OF TENDER," as appropriate. In the event of any discrepancy between them, the original shall govern.

2.14.2 The original and all copies of the tender shall be typed or written in indelible ink and shall be signed by the tenderer or a person or persons duly authorized to bind the tenderer to the contract. All pages of the tender, except for un-amended printed literature, shall be initialed by the person or persons signing the tender.

2.14.3 The tender shall have no interlineations, erasures, or overwriting except as necessary to correct errors made by the tenderer, in which case such corrections shall be initialed by the person or persons signing the tender.

2.15 Sealing and Marking of Tenders

2.15.1 The tenderer shall seal the original and each copy of the tender in separate envelopes, duly marking the envelopes as “ORIGINAL” and “COPY.” The Envelopes shall then be sealed in an outer envelope.

The inner and outer envelopes shall:

(a) be addressed to the Procuring entity at the address given in the invitation to tender

(b) bear, tender number and name in the invitation to tender and the words: “DO NOT OPEN BEFORE **13th February 2018 at 2.00 p.m.**”

2.15.3 The inner envelopes shall also indicate the name and address of the tenderer to enable the tender to be returned unopened in case it is declared “late”.

2.15.4 If the outer envelope is not sealed and marked as required by paragraph 2.15.2, the Procuring entity will assume no responsibility for the tender’s misplacement or premature opening.

2.16 Deadline for Submission of Tenders

2.16.1 Tenders must be received by the Procuring entity at the address specified under paragraph 2.15.2 no later than **(13th February 2018 at 2.30 p.m.)**

2.16.2 The procuring entity may, at its discretion, extend this deadline for the submission of tenders by amending the tender documents in accordance with paragraph 6, in which case all rights and obligations of the procuring entity and candidates previously subject to the deadline will thereafter be subject to the deadline as extended.

2.17 Modification and withdrawal of tenders

2.17.1 The tenderer may modify or withdraw its tender after the tender’s submission, provided that written notice of the modification, including

substitution or withdrawal of the tender's is received by the procuring entity prior to the deadline prescribed for the submission of tenders.

2.17.2 The Tenderer's modification or withdrawal notice shall be prepared, sealed, marked, and dispatched in accordance with the provisions of paragraph 2.15. A withdrawal notice may also be sent by email, but followed by a signed confirmation copy, postmarked not later than the deadline for submission of tenders.

2.17.3 No tender may be modified after the deadline for submission of tenders.

2.17.4 No tender may be withdrawn in the interval between the deadline for submission of tenders and the expiration of the period of tender validity specified by the tenderer on the Tender Form. Withdrawal of a tender during this interval may result in the Tenderer's forfeiture of its tender security, pursuant to paragraph 2.12.7.

2.17.5 The procuring entity may at any time terminate procurement proceedings before contract award and shall not be liable to any person for the termination.

2.17.6 The procuring entity shall give prompt notice of the termination to the tenderers and on request give its reasons for termination within 14 days of receiving the request from any tenderer.

2.18 Opening of Tenders

2.18.1 The Procuring entity will open all tenders in the presence of tenderers' representatives who choose to attend, at **(13th February 2018 at 2.30 p.m.)**, and in the location specified in the invitation to tender. The tenderers' representatives who are present shall sign a register evidencing their attendance.

2.18.3 The tenderers' names, tender modifications or withdrawals, tender prices, discounts, and the presence or absence of requisite tender security and such other details as the Procuring Entity, at its discretion, may consider appropriate, will be announced at the opening.

2.18.4 The procuring entity will prepare minutes of the tender opening which will be submitted to the tenderers that signed the tender opening register and will have made the request.

2.19 Clarification of tenders

2.19.1 To assist in the examination, evaluation and comparison of tenders the procuring entity may at its discretion, ask the tenderer for a clarification of its tender. The request for clarification and the response shall be in writing, and no change in the prices or substance shall be sought, offered, or permitted.

2.19.2 Any effort by the tenderer to influence the procuring entity in the procuring entity's tender evaluation, tender comparison or contract award decisions may result in the rejection of the tenderers tender.

2.20 Preliminary Examination and Responsiveness

2.20.1 The Procuring entity will examine the tenders to determine whether they are complete, whether any computational errors have been made, whether required securities have been furnished whether the documents have been properly signed, and whether the tenders are generally in order.

2.20.2 Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected. If the candidate does not accept the correction of the errors, its tender will be rejected, and its tender security may be forfeited. If there is a discrepancy between words and figures, the amount in words will prevail.

2.20.3 The Procuring entity may waive any minor informality or nonconformity or irregularity in a tender which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any tenderer.

2.20.4 Prior to the detailed evaluation, pursuant to paragraph 23, the Procuring entity will determine the substantial responsiveness of each tender to the tender documents. For purposes of these paragraphs, a substantially responsive tender is one which conforms to all the terms and conditions of the tender documents without material deviations. The Procuring entity's determination of a tender's responsiveness is to be based on the contents of the tender itself without recourse to extrinsic evidence.

2.20.5 If a tender is not substantially responsive, it will be rejected by the Procuring entity and may not subsequently be made responsive by the tenderer by correction of the nonconformity.

2.21 Conversion to a single currency

2.21.1 Where other currencies are used, the procuring entity will convert those currencies to Kenya shillings using the selling exchange rate on the date of tender closing provided by the central bank of Kenya.

2.22 Evaluation and comparison of tenders.

2.22.1 The procuring entity will evaluate and compare the tenders which have been determined to be substantially responsive, pursuant to paragraph 2.20

2.22.2 The comparison shall be of the price including all costs as well as duties and taxes payable on all the materials to be used in the provision of the services.

2.22.3 The Procuring entity's evaluation of a tender will take into account, in addition to the tender price, the following factors, in the manner and to the extent indicated in paragraph 2.22.4 and in the technical specifications:

- (a) Operational plan proposed in the tender;
- (b) Deviations in payment schedule from that specified in the Special Conditions of Contract;

2.22.4 Pursuant to paragraph 2.2.3 the following evaluation methods will be applied:

(a) ***Operational Plan.***

The Procuring entity requires that the services under the Invitation for Tenders shall be performed at the time specified in the Schedule of Requirements. Tenders offering to perform longer than the procuring entity's required delivery time will be treated as non-responsive and rejected.

(b) ***Deviation in payment schedule.***

Tenderers shall state their tender price for the payment on a schedule outlined in the special conditions of contract. Tenders will be evaluated on the basis of this base price. Tenderers are, however, permitted to state an alternative payment schedule and indicate the reduction in tender price they wish to offer for such alternative payment schedule. The Procuring entity may consider the alternative payment schedule offered by the selected tenderer.

2.22.5 The tender evaluation committee shall evaluate the tender within fifteen (15) days from the date of opening the tender.

2.22.6 To qualify for contract awards, the tenderer shall have the following:-

- (a) Necessary qualifications, capability experience, services, equipment and facilities to provide what is being procured.
- (b) Legal capacity to enter into a contract for procurement
- (c) Shall not be insolvent, in receivership, bankrupt or in the process of being wound up and is not the subject of legal proceedings relating to the foregoing
- (d) Shall not be debarred from participating in public procurement.

2.23. Contacting the procuring entity

2.23.1 Subject to paragraph 2.19, no tenderer shall contact the procuring entity on any matter relating to its tender, from the time of the tender opening to the time the contract is awarded.

2.23.2 Any effort by a tenderer to influence the procuring entity in its decisions on tender evaluation tender comparison or contract award may result in the rejection of the tenderers tender.

2.24 Award of Contract

a) Post qualification

2.24.1 In the absence of pre-qualification, the Procuring entity will determine to its satisfaction whether the tenderer that is selected as having submitted the lowest evaluated responsive tender is qualified to perform the contract satisfactorily.

2.24.2 The determination will take into account the tenderer's financial and technical capabilities. It will be based upon an examination of the documentary evidence of the tenderers qualifications submitted by the tenderer, pursuant to paragraph 2.1.2, as well as such other information as the Procuring entity deems necessary and appropriate.

2.24.3 An affirmative determination will be a prerequisite for award of the contract to the tenderer. A negative determination will result in rejection of the Tenderer's tender, in which event the Procuring entity will proceed to the next lowest evaluated tender to make a similar determination of that Tenderer's capabilities to perform satisfactorily.

b) Award Criteria

2.24.3 Subject to paragraph 2.29 the Procuring entity will award the contract to the successful tenderer whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the tenderer is determined to be qualified to perform the contract satisfactorily.

2.24.4 The procuring entity reserves the right to accept or reject any tender and to annul the tendering process and reject all tenders at any time prior to contract award, without thereby incurring any liability to the affected tenderer or tenderers or any obligation to inform the affected tenderer or tenderers of the grounds for the procuring entity's action. If the procuring entity determines that none of the tenderers is responsive; the procuring entity shall notify each tenderer who submitted a tender.

2.24.5 A tenderer who gives false information in the tender document about its qualification or who refuses to enter into a contract after notification of

contract award shall be considered for debarment from participating in future public procurement.

2.25 Notification of award

2.25.1 Prior to the expiration of the period of tender validity, the Procuring entity will notify the successful tenderer in writing that its tender has been accepted.

2.25.2 The notification of award will signify the formation of the Contract subject to the signing of the contract between the tenderer and the procuring entity pursuant to clause 2.29. Simultaneously the other tenderers shall be notified that their tenders have not been successful.

2.25.3 Upon the successful Tenderer's furnishing of the performance security pursuant to paragraph 31, the Procuring entity will promptly notify each unsuccessful Tenderer and will discharge its tender security, pursuant to paragraph 2.12

2.26 Signing of Contract

2.26.1 At the same time as the Procuring entity notifies the successful tenderer that its tender has been accepted, the Procuring entity will simultaneously inform the other tenderers that their tenders have not been successful.

2.26.2 Within **fifteen (15) days** of receipt of the Contract Form, the successful tenderer shall sign and date the contract and return it to the Procuring entity.

2.26.3 The parties to the contract shall have it signed within **30 days** from the date of notification of contract award unless there is an administrative review request.

2.27 Performance Security

2.27.1 Within **fifteen (15) days** of the receipt of notification of award from the Procuring entity, the successful tenderer shall furnish the performance security in accordance with the Conditions of Contract, in the Performance Security Form provided in the tender documents, or in another form acceptable to the Procuring entity.

2.27.2 Failure of the successful tenderer to comply with the requirement of paragraph 2.29 or paragraph 2.30.1 shall constitute sufficient grounds for the annulment of the award and forfeiture of the tender security, in which event the Procuring entity may make the award to the next lowest evaluated or call for new tenders.

2.28 Corrupt or Fraudulent Practices

2.28.1 The Procuring entity requires that tenderers observe the highest standard of ethics during procurement process and execution of contracts. A tenderer shall sign a declaration that he has not and will not be involved in corrupt or fraudulent practices.

2.28.2 The procuring entity will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question;

2.28.3 Further, a tenderer who is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in public procurement in Kenya.

APPENDIX TO INSTRUCTIONS TO TENDERERS

Evaluation and Comparison of Tenders

The contract will be awarded on the basis of the offers that are the most economically advantageous.

Those firms who have previously provided the service to Kengen will be evaluated on Kengen's past experience on their performance.

Kenya Electricity Generating Company Limited will evaluate and compare the tenders which have been determined to be substantially responsive, pursuant to paragraph 22.

Kenya Electricity Generating Company Limited's evaluation of a tender will exclude and not take into account any allowance for price adjustment during the period of execution of the contract, if provided in the tender.

The comparison shall be of the ex-factory/ex-warehouse/off-the-shelf price of the Goods offered from within Kenya, such price to include all costs, as well as duties and taxes paid or payable on components and raw material incorporated or to be incorporated in the Goods.

Kenya Electricity Generating Company Limited's evaluation of a tender will take into account, in addition to the tender price and the price of incidental services, the following factors:

- (a) The cost of Services
- (b) delivery schedule offered in the tender;
- (c) Deviations in payment schedule from that specified in the Special Conditions of Contract;
- (a) Deviation in payment schedule.

Tenderers shall state their tender price for the payment of schedule outlined in the special conditions of contract. Tenders will be evaluated on the basis of this price. Tenderers are, however, permitted to state an alternative payment schedule and indicate the reduction in tender price they wish to offer for such alternative payment schedule. Kenya Electricity Generating Company Limited may consider the alternative payment schedule offered by the selected tenderer.

Contacting Kenya Electricity Generating Company Limited

Subject to paragraph 21, no tenderer shall contact Kenya Electricity Generating Company Limited on any matter relating to its tender, from the time of the tender opening to the time the contract is awarded.

Any effort by a tenderer to influence Kenya Electricity Generating Company Limited in its decisions on tender evaluation, tender comparison, or contract award may result in the rejection of the Tenderer's tender.

Award of Contract

Post-qualification

The evaluation will be based on the documents submitted by the tenderer. The evaluation will proceed in stages, as described below. Only the offers meeting the requirements of a stage will pass on to the next stage of the evaluation. The stages of the evaluation procedure will be:

(a) the technical evaluation

(quality); (b) the financial

evaluation (price).

The contract shall be awarded to the tenderer who submitted an offer for “the best-value for money”, i.e. to the tenderer who achieved the highest Total Score calculated according to the above formula.

Award Criteria

The Technical Evaluation Criteria, given below, will be applied for the assessment of the technical quality of the proposal. These criteria will be used for the evaluation of the overall response of the tenderer to the whole set of requirements (under the Technical Specifications). The Award Criteria are as follows:

- a) “The contract” means the agreement entered into between the Procuring entity and the tenderer as recorded in the Contract Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
- b) “The Contract Price” means the price payable to the tenderer under the Contract for the full and proper performance of its contractual obligations.
- c) “The services” means services to be provided by the contractor including materials and incidentals which the tenderer is required to provide to the Procuring entity under the Contract.
- d) “The Procuring entity” means the organization sourcing for the services under this Contract.
- e) “The contractor means the individual or firm providing the services under this Contract.
- f) “GCC” means general conditions of contract contained in this section g)
“SCC” means the special conditions of contract
- h) “Day” means calendar day

3.2 Application

These General Conditions shall apply to the extent that they are not superseded by provisions of other part of contract.

3.3 Standards

3.3.1 The services provided under this Contract shall conform to the 7 standards mentioned in the Schedule of requirements.

3.5 Patent Right’s

The tenderer shall indemnify the Procuring entity against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the services under the contract or any part thereof.

3.6 Performance Security

Within **fifteen (15) days** of receipt of the notification of Contract award, the successful tenderer shall furnish to the Procuring entity the Performance security where applicable in the amount specified in Special Conditions of Contract.

3.6.2 The proceeds of the performance security shall be payable to the Procuring entity as compensation for any loss resulting from the Tenderer's failure to complete its obligations under the Contract.

3.6.3 The performance security shall be denominated in the currency of the Contract or in a freely convertible currency acceptable to the Procuring entity and shall be in the form of:

- a) A bank guarantee.
- b) Such insurance guarantee approved by the Public Procurement Oversight Authority.

3.6.4 The performance security will be discharged by the procuring entity and returned to the candidate not later than thirty (30) days following the date of completion of the tenderer's performance of obligations under the contract, including any warranty obligations under the contract.

3.7 Inspections and Tests

3.7.1 The Procuring entity or its representative shall have the right to inspect and/or to test the services to confirm their conformity to the Contract specifications. The Procuring entity shall notify the tenderer in writing, in a timely manner, of the identity of any representatives retained for these purposes.

3.7.2 The inspections and tests may be conducted on the premises of the tenderer or its subcontractor(s). If conducted on the premises of the tenderer or its subcontractor(s), all reasonable facilities and assistance, including access to Drawings and production data shall be furnished to the inspectors at no charge to the Procuring entity.

3.7.3 Should any inspected or tested services fail to conform to the Specifications, the Procuring entity may reject the services and the tenderer shall make alterations necessary to meet specification requirements free of cost to the Procuring entity.

3.7.4 Nothing in paragraph 3.7 shall in any way release the tenderer from any warranty or other obligations under this Contract.

3.8 Payment

3.8.1 The method and conditions of payment to be made to the tenderer under this Contract shall be specified in SCC

3.9 Prices

Prices charged by the contractor for services performed under the Contract shall not, with the exception of any Price adjustments authorized in SCC, vary from the prices by the tenderer in its tender or in the procuring entity's request for tender validity extension as the case may be. No variation in or modification to the terms of the contract shall be made except by written amendment signed by the parties.

3.10 Assignment

The tenderer shall not assign, in whole or in part, its obligations to perform under this contract, except with the procuring entity's prior written consent.

3.10 Termination for Default

The Procuring entity may, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the tenderer, terminate this Contract in whole or in part:

- a) if the tenderer fails to provide any or all of the services within the period(s) specified in the Contract or within any extension thereof granted by the Procuring entity.
- b) if the tenderer fails to perform any other obligation(s) under the Contract.
- c) if the tenderer, in the judgment of the Procuring entity, has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

In the event the Procuring entity terminates the Contract in whole or in part, it may procure, upon such terms and in such manner as it deems appropriate, services similar to those undelivered, and the tenderer shall be liable to the Procuring entity for any excess costs for such similar services.

3.12 Termination of insolvency

The procuring entity may at the anytime terminate the contract by giving written notice to the contractor if the contractor becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the contractor, provided that such termination will not produce or affect any right of action or remedy, which has accrued or will accrue thereafter to the procuring entity.

3.13 Termination for convenience

- 3.13.1 The procuring entity by written notice sent to the contractor may terminate the contract in whole or in part, at any time for its convenience. The notice of termination shall specify that the termination is for the procuring entity's convenience, the extent to which performance of the contractor of the contract is terminated and the date on which such termination becomes effective.

3.13.2 For the remaining part of the contract after termination the procuring entity may elect to cancel the services and pay to the contractor an agreed amount for partially completed services.

3.14 Resolution of disputes

The procuring entity's and the contractor shall make every effort to resolve amicably by direct informal negotiations any disagreement or dispute arising between them under or in connection with the contract.

If after thirty (30) days from the commencement of such informal negotiations both parties have been unable to resolve amicably a contract dispute either party may require that the dispute be referred for resolution to the formal mechanisms specified in the SCC.

3.15 Governing Language

The contract shall be written in English language. All correspondence and other documents pertaining to the contract, which are exchanged by the parties, shall be written in the same language.

3.16 Force Majeure

The contractor shall not be liable for forfeiture of its performance security, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

3.17 Applicable Law.

The contract shall be interpreted in accordance with the laws of Kenya unless otherwise specified in the SCC

3.18 Notices

Any notices given by one party to the other pursuant to this contract shall be sent to the other party by E-mail and confirmed in writing to the other party's address specified in the SCC

A notice shall be effective when delivered or on the notices effective date, whichever is later.

3.19 Taxes

3.19.1 "Taxes" means all present and future taxes, levies, duties, charges, assessments, deductions or withholdings whatsoever, including any interest thereon, and any penalties and fines with respect thereto, wherever imposed, levied, collected, or withheld pursuant to any regulation having the force of law and "Taxation" shall be construed accordingly.

3.19.2 Local Taxation

Nothing in the Contract shall relieve the Contractor and/or his Sub-Contractors from their responsibility to pay any taxes, statutory contributions and levies that

may be levied on them in Kenya in respect of the Contract. The Contract Price shall include all applicable taxes and shall not be adjusted for any of these taxes.

3.19.3 The Contractor shall be deemed to be familiar with the tax laws in the Employer's Country and satisfied themselves with the requirements for all taxes, statutory contributions and duties to which they may be subjected during the term of the Contract.

3.19.4 In instances where discussions are held between the Employer and the Contractor regarding tax matters, this shall not be deemed to constitute competent advice and hence does not absolve the Contractor of their responsibility in relation to due diligence on the tax issue as per 3.19.2 above.

Tax Deduction

3.19.5 If the Employer is required to make a tax deduction by Law, then the deduction shall be made from payments due to the Contractor and paid directly to the Kenya Revenue Authority. The Employer shall upon remitting the tax to Kenya Revenue Authority furnish the Contractor with the relevant tax deduction certificates.

3.19.6 Where the Contractor is paid directly by the Financiers and the Employer is not able to deduct tax, then the Contractor will be required to pay the tax deduction to Kenya Revenue Authority in the name of the Employer and furnish the Employer with an original receipt thereof as evidence of such payment. In absence of the said evidence, the Employer will not process any subsequent payments to the Contractor.

Tax Indemnity

3.19.7 The Contractor shall indemnify and hold the Employer harmless from and against any and all liabilities, which the Employer may incur for any reason of failure by the Contractor to comply with any tax laws arising from the execution of the Contract whether during the term of the Contract or after its expiry.

3.19.8 The Contractor warrants to pay the Employer (within fourteen (14) days of demand by the Employer), an amount equal to the loss, liability or cost which the Employer determines has been (directly or indirectly) suffered by the Employer for or on account of the Contractor's Tax liability arising from the Contract.

3.19.9 Where the amount in 3.19.8 above remains unpaid after the end of the fourteen (14) days moratorium, the Employer shall be entitled to compensation for financing charges.

SECTION IV

SPECIAL CONDITIONS OF CONTRACT

4.1 Special conditions of contract (SCC) shall supplement the general conditions of contract, wherever there is a conflict between the GCC and the SCC, the provisions of the SCC herein shall prevail over those in the GCC.

4.2 Special conditions of contract with reference to the general conditions of contract.

Background Information

Wanjii,Tana and Sagana are connected via fiber (Liquid Telecomms Fiber)

Connectivity infrastructure

A detailed presentation of the proposed connection model and its infrastructure is required.

In the implementation proposed by the tenderers, specific details of the selected technology should be presented accordingly.

Provision of requested connection model At the Kengen premises, an Ethernet interface port of the border router should be connected to the proper equipment provided by the tenderer, where

it terminates at the telecommunications carrier (Telco) access circuit demarcation point.

Demarcation point is defined as the serial (V.35, X.21, EIA/TIA-232)/ SFP PORT or Ethernet cable attached to the border router serial or Ethernet interface port.

Connection control and management

The selected Contractors shall provide all necessary configuration details pertaining to the connection with the border router. They shall maintain the full management and operational control of this connection to ensure continuous connectivity in the event of any changes likely to adversely affect the quality of the connection and the services.

Acceptance Testing and Criteria

The selected Contractor must conduct tests to ensure that the border router can successfully communicate with the tenderer's POP.

Network Operation Services

The selected Contractors must provide high network availability and performance supported by network operations and technical staff. The provided connection should be monitored and maintained 24 hours per day, 365 days a year by experienced operators and technicians.

Communications Circuit Maintenance

The selected Contractors will be responsible for providing troubleshooting for the communication link between the Kengen's Stima Plaza and Wanii, Tana and Sagan Power Stations and the contractor's network. This should include problem diagnosis and any necessary vendor/manufacturer interaction for dispatch and repair of the equipment under the contractor's responsibility.

Monthly traffic reports

The selected Contractors will provide (figures and charts) for monthly traffic reports showing its own (ISP), national and international traffic for the provided services for both incoming and outgoing traffic on the link to be established.

Penalties

To manage incidents affecting the provision of the link's services, the selected contractors must be able to provide 24 hours response to network connectivity or routing problems and within an agreed period to find the resolution to such problems (if any). The contractors shall negotiate and sign an SLA with Kengen for service provision.

KenGen's Exinda Network Optimization and acceleration appliance and HP Open view network management systems shall be incorporated in the determination of the service uptime/availability and shall also be incorporated in in determination of rebates.

Technical Services and Support

The scope of the work will be to install and commission active and passive devices plus other necessary hardware and software required to avail the required bandwidths for the specified links

The Link MUST be terminated at the KenGen Router at Wanjii,Sagana and Tana Power Stations and Stima Plaza Server Room respectively.

The installed link MUST be able to handle link sensitive applications including but not limited to:

- i) IP Telephony/VOIP
- ii) Video Conferencing
- iii) IPTV
- iv) CCTV
- v) Data
- vi) Internet
- vii) Etc.

The bidder, in availing the link, must fulfill the following requirements:

- i) Supply and install **dedicated** data links between Wanjii,Sagana and Tana Power Stations and Stima Plaza.
- ii) The links should have a latency of <20ms on the Point to Point.
- iii) Bidder must have a technical support center monitored on a 24x7x365 basis (Network Operations Center)
- iv) Average fault resolution should be within 8 hours.
- v) Bidder must have countrywide network coverage.
- vi) Link termination must be on an Ethernet Interface.
- vii) Link scalability to higher bandwidth capacity must be possible.
- viii) The link MUST support real-time applications including but not limited to Video-Conferencing, VoIP, IP Telephony, CCTV, IPTV, Data, Internet e.t.c.
- ix) The bidder must give an SLA which guarantees 99% Link Availability.
- x) Bidder must have a redundant network.
- xi) Provider must be able to provide periodic weekly and/or monthly utilization graphs of link usage or as demanded by client.

SECTION V

TECHNICAL SPECIFICATIONS

GENERAL SPECIFICATIONS

MR1 The Bidder shall submit a detailed network deployment design document as part of the bid document.

MR2 The Bidder shall procure, supply and install and configure all network (Active as well as passive), security, and the necessary software as per specification and configurations.

MR3 The bidder shall not bid/supply any equipment that is likely to be declared end of sale within the next two years. If, any equipment is declared end of sale within next two years, the bidder would be required to replace all such equipment with latest one and equipment with latest one and equivalent configuration at no cost to KenGen.

MR5 Passive components such as patch cords shall be factory crimped and shall carry test certificates to ensure trouble free operations. All the passive components need to be of the same make across the entire network to ensure standardization and ease of Certification from the manufacturers.

MR6 The bidder shall be responsible for end-to-end implementation and shall quote and provide/supply any items not included in the bill of materials but required for the commissioning of the network. KenGen shall not pay for any such items, which have not been quoted for by the supplier in the bid but are required for successful completion of the project.

MR7 The bidder shall provide supply all installation material/accessories/consumables (e.g. screws, clamps, fasteners, ties, poles, anchors, supports, grounding strips, wires, termination kits etc.) necessary for the installation of the systems.

IR1 The bidder shall be responsible for storage and security of material on receipt at site in the storage space allocated by the purchaser.

MR8 The bidder shall install and commission the active network equipment as per the approved deployment design.

MR9 The bidder shall install and commission transmission/connecting medium where need be.

MR10 All the work shall be done in a conscientious manner as per the OEM guidelines and best industry practices.

MR11 The bidder shall install and configure all the active/passive devices in accordance with OEM guidelines. Passive cabling guidelines will be based on standard 568/69.

MR12 The bidder shall ensure that the cabling and crimping /termination is done in accordance with the EIA/TIA standards and supported by the Original Equipment Manufacturer (OEM) fully tested and certified for operations.

MR13 After installation, the cabling system shall be tested as per the standard Testing procedure laid out by the certification agencies/ OEM. The bidder shall bring to site all the test equipment as required under the procedure to carry out link testing. Node-wise test reports shall be submitted to Kengen.

MR14 All the features and functionality of the Network shall be demonstrated.

MR15 The bidder shall configure the network equipment, transmission medium, and security, for end-to-end user access to applications/services.

MR16 The bidder shall be responsible for integration of the WAN link so as to provide enterprise wide access to resources and services.

MR17 The bidder shall document all the installation and commissioning procedures and provide the same to the purchaser within 30 days of the commissioning of the network.

MR18 Manufacturer's technical documentation on all devices used in the system including user manuals for configuring of switches, etc. and their 'As installed' configuration shall be provided by the contractor.

MR19 The bidder shall provide configuration snapshots for all active devices installed in the network i.e. Router etc.

The Link should support the following application:

Web browsing (HTTP)
E-Mail
File Transfer Protocol (FTP)
Video Conferencing
Access to Corporate applications hosted at Corporate HQ (Stima Plaza)
Voice over IP (VoIP) – IP Telephony
Virtual Private Networks (VPN)
IPTV
CCTV, etc.

Deliverables

The deliverable for this project will be but not limited to the following:

- Project plan and schedule
- Design documents (Network, Passive Cabling, and e.t.c.)
- Policies document (Security and Network Management)
- Installation Report
- Commissioning and integration report.
- Acceptance Test Reports (Link Signal, Cabling testing certificate)
- Certification from OEM/Manufacturer for providing complete support of product for a period of five years even in the case of product upgrade or discontinue of product for all the major components
